Body-Gard® Rust Protection

The salt used on our winter roads, combined with moisture, produces conditions for rust to form and damage your vehicle. Body-Gard® Rust Protection extends the life of your vehicle by providing maximum protection against corrosion.

Body Panel Protection

- Penetrates seams and crevices where rust begins.
- Prevents moisture from attacking even the most recessed, vulnerable metal body panels.
- “Drill-free” application process.
- Available for new and pre-owned vehicles.

Underbody Protection

- Seals out moisture and protects the bottom of your vehicle.
- Protects from damaging gravel, dirt and road salt.
- Helps provide a sound barrier for a quieter ride by dampening vibrations.
- Won't crack, peel or chip.

Electronic Corrosion Control (E.C.C.)

While vehicle manufacturers have improved build quality, rust remains a costly issue. The E.C.C. Module provides added protection where traditional rustproofing cannot reach.

- Proven effective in inhibiting rust and corrosion on both exposed and hidden vehicle surfaces.
- Patented, solid-state technology.
- Environmentally friendly and maintenance-free.
- Provides continuous 24/7 protection without the need for reapplications or touch-ups.
- Helps preserve vehicle appearance, structural integrity, and long-term resale value.

Sharkskin Plus® Ceramic Interior Protection

The next generation of interior protection. Once applied, Sharkskin Plus® forms an advanced ceramic barrier that bonds to interior surfaces to help repel contaminants and extend the life of your vehicle's interior.

Upholstery Protection

- Helps keep fabric and upholstery looking new and clean, longer.
- Helps repel liquids and block stains.
- Does not alter the look and feel of the upholstery.
- Resistant to bacteria and mould.
- Free of any toxic chemicals.

Sharkskin Plus® Graphene Ceramic Exterior Protection

Paint & Wheel Application

- Reduced graphene oxide enhances coating strength and increases water resistance.
- More resistant to detergents than traditional ceramic coatings
- Shields against weather, oxidation, pollutants and environmental contaminants.
- Eliminates the need for waxing and makes treated surfaces easier to clean.

Glass and Mirror Application

- Improves visibility in rain and snow for increased safety.
- Reduces the need for wiper use and helps extend wiper blade life.

Unpainted Plastic & Soft Top Application

- Maintains the original look and feel of factory plastic trims.
- Repels moisture, dirt, and environmental contaminants.
- Protects soft top or convertible top from fading, staining, and buildup.

Frequently Asked Questions

If I make a Body-Gard® with Sharkskin Plus® claim, will my insurance premiums go up?

A No! Using Body-Gard® with Sharkskin Plus® to fix covered damage will not raise your auto insurance premiums, claims are handled outside of your insurance policy.

I lease my vehicle and will be returning it at the end of the lease. How does Body-Gard® with Sharkskin Plus® benefit me?

A This program reduces or completely avoids the charges when it's time to return your vehicle. Sharkskin Plus® ceramic coatings keep your paint and interior looking pristine, and the rust protection prevents corrosion, keeping your vehicle's showroom appearance throughout your lease.

I am planning to purchase a pre-owned vehicle; can I get Body-Gard® with Sharkskin Plus®?

A Yes! Body-Gard® with Sharkskin Plus® is offered on both new and used vehicles. You can have the rust protection and Sharkskin Plus® treatments applied no matter what you purchase.

What is Sharkskin Plus®, and how does it help?

A Sharkskin Plus® is an advanced ceramic coating technology for your vehicle's interior and exterior. On the interior, it forms a ceramic barrier on surfaces to help repel contaminants and stains. On the exterior, the graphene ceramic layer shields your paint, wheels, and trim from weather, oxidation, and pollutants, so your vehicle stays cleaner longer, with no waxing needed.

What does Body-Gard® with Sharkskin Plus® cover?

A It combines proven rust protection with advanced Sharkskin ceramic coatings. That means your vehicle's undercarriage and body panels are protected from corrosion, while your paint, wheels, glass, and interior surfaces are shielded from stains, fading, and environmental wear.

Do I have to pay a deductible when making a Body-Gard® with Sharkskin Plus® claim?

A No. There's no deductible for covered services or repairs*. If rust or surface damage falls within your coverage, Body-Gard® with Sharkskin Plus® pays the full approved cost, so there's nothing out-of-pocket for you.

Can I transfer my Body-Gard® with Sharkskin Plus® coverage if I sell my vehicle?

A Yes, your coverage is transferable to the next vehicle owner. That means continued protection for them and added value for your vehicle when it's time to sell.

*\$25 deductible for repair of cigarette burns in upholstery.
